

# Insurance and Cashless Billing Policies

Apollo Hospitals supports a wide range of insurance providers and Third-Party Administrators (TPAs) to facilitate cashless healthcare for our patients.

## 1. Cashless Admission Guidelines

To avail of cashless treatment, please submit pre-authorization documents at the TPA Desk (Ground Floor) within 24 hours of admission for planned treatments and within 12 hours for emergency admissions.

Required documents: Aadhaar card or PAN card, corporate health card, original insurance policy, and doctor's admission slip.

## 2. Room Rent Limitations

Insurance policies have limits on room rent categories. If a patient chooses a room category higher than what they are eligible for, the patient is liable to pay the difference in room rent as well as proportional incremental charges for investigations and doctors' visits.

## 3. Supported Insurance Providers

- **Star Health & Allied Insurance:** All cashless facilities, pre-auth approval takes 2-3 hours.
- **ICICI Lombard GIC:** Dedicated priority desk, cashless approved within 2 hours.
- **HDFC ERGO Health:** Supports corporate health plans, cashless available.
- **Niva Bupa Health Insurance:** Direct API integration, pre-auth processing is digital and fast.
- **United India / New India Assurance:** Supported via Government TPA desks, approval takes 3-4 hours.
