

Apollo Patient Guide

Welcome to Apollo Hospitals. Our mission is to bring healthcare of international standards within the reach of every individual. We are committed to the achievement and maintenance of excellence in education, research, and healthcare.

1. Hospital Network Introduction

Apollo Hospitals Group is a pioneer of modern healthcare in India. It is a multi-speciality tertiary care hospital chain with thousands of beds across multiple cities, over 15 major clinical departments, and world-renowned medical specialists. All major Apollo facilities are accredited by JCI (Joint Commission International) and NABH, ensuring safety, hygiene, and clinical excellence.

2. Registration Process

Outpatient (OP) Registration: All new patients must register at the reception counter. A unique Patient ID (PID) will be generated. Please carry a valid government photo ID card (Aadhaar Card, Passport, or Voter ID). Registration is a one-time process, and the standard registration fee is INR 200.

Inpatient (IP) Registration: Patients advised for admission must proceed to the Admission Desk. The staff will help you choose a room category (General Ward, Semi-Private, Private, Deluxe, or Suite) and complete the registration and insurance authorization procedures.

3. Admission Procedure

During admission, please bring: 1. Doctor's admission prescription. 2. Insurance card and pre-authorization approvals (if applicable). 3. Past medical records, reports, and current medications. 4. Government-issued photo ID.

For cash-paying patients, an advance payment based on the expected stay and room category is required at the time of admission.

4. Discharge Process

Discharges are planned by the treating doctor during morning rounds (usually 9:00 AM to 11:00 AM). The discharge process takes approximately 2 to 3 hours for cash patients and 4 to 5 hours for cashless insurance patients due to TPA approval cycles. Once the billing is cleared, you will receive your discharge summary and take-home medications with instructions.

5. Billing & Payment Methods

Billing counters are open 24/7. We accept Cash, Debit/Credit Cards, UPI, Net Banking, and major mobile wallets. Interim bills can be obtained from the ward coordinator to monitor expenses.

6. Cashless Insurance Claim Process

For cashless hospitalization, please submit your insurance card and pre-authorization form to the TPA desk within 24 hours of planned admission, and within 12 hours of emergency admission. If cashless approval is delayed, patients can pay the bill in full at discharge and claim reimbursement later.

7. Emergency & Ambulance Services

Our Emergency and Trauma Care unit is open 24 hours a day, 365 days a year. We operate an advanced ambulance service equipped with ventilators, defibrillators, and basic life support systems. Call our Emergency Hotline at +91 99999 88888 for immediate assistance.

8. OP/IP Information

Outpatient Services: Consultations are available from 9:00 AM to 8:00 PM on weekdays, and 9:00 AM to 1:00 PM on Sundays. Prior booking is highly recommended.

Inpatient Services: We offer general wards (6-bed sharing), semi-private rooms (2-bed sharing), private AC rooms, deluxe rooms, and executive suites. Nursing care ratio ranges from 1:1 in ICUs to 1:6 in general wards.

9. Hospital Timings

11. Frequently Asked Questions (FAQ Summary)

Q: What documents should I carry for registration?

A: You should carry a government-issued photo ID card (Aadhaar, Passport, driving license, etc.) and any past medical records.

Q: Where can I collect my discharge summary?

A: The discharge summary will be handed over to you in the ward by the staff nurse once the billing clearance is completed.

Q: Can I get an extension on paying my bills?

A: Payment of bills must be cleared before discharge. For long stays, patients must pay interim payments as requested by the billing desk.

Q: Is there a pharmacy inside the hospital?

A: Yes, Apollo Pharmacy is located on the ground floor next to the emergency room and is open 24/7.

Q: Is there parking available for patients?

A: Yes, we provide 24/7 multi-level valet parking for patients and visitors. Parking charges are INR 50 for the first 2 hours.
