

Visitor Guidelines & Rules

To ensure a quiet, clean, and safe environment for our patients, all visitors are requested to strictly adhere to the hospital's visitation guidelines.

1. Visiting Hours

Inpatient Wards (General & Semi-Private): 4:00 PM – 7:00 PM daily.

Private and Deluxe Rooms: 11:00 AM – 1:00 PM & 4:00 PM – 7:00 PM.

ICU Visiting Hours: 11:00 AM – 12:00 PM & 5:00 PM – 6:00 PM. Only 1 visitor is allowed inside the ICU cabin at a time for 5 minutes.

2. Visitor Passes

Only one Attendant Pass and one Visitor Pass are issued per patient at the time of admission. Visitors must display their passes while inside the hospital premises.

3. Infection Control & Safety

- Wash or sanitize hands before and after visiting a patient.
- Wearing a mask is mandatory for all visitors inside the wards.
- Children below 12 years are not allowed to visit inpatient wards to protect them from hospital-acquired infections.
